Travel Information

Here at the Prostate Laser Center, we are devoted to excellence in the care we provide to our patients and their families. We have partnered with hotels in the area to provide a small discount to our patients. There are two airports in Houston: William P. Hobby Airport (HOU) and George Bush Intercontinental Airport (IAH). Both are about 20-30 minutes from our offices. If you prefer not to rent a car, we have partnered with a car and limousine service that would be happy to provide their services*.
